## San Gabriel Mountains National Monument

---

Date: \_\_\_\_\_

The United States Forest Service, Angeles National Forest is submitting several grant applications to the State of California Division of Off-Highway Motor Vehicle Recreation for funding in several categories. These grants provide services and recreation opportunities for off-highway vehicle use on National Forest System lands. The Forest Service's draft application will post March 7, 2016 for public comment on the State of California's website at [www.ohv.parks.ca.gov](http://www.ohv.parks.ca.gov). Please provide any comments pertaining to the categories listed below that will inform us regarding management or resource issues, which will assist the Forest in developing its grant application;
